Correction to Feb. 8, 2019 Courier Obituary

Robert C. Bogert assisted in the development of the Air Sole and Heel ski boot alongside the inventor, Marion “Frank” Rudy. Bob and Frank presented to Nike co-founder and visionary, Phil Knight the idea of using Frank’s invention as a cushioning
device for running shoes. Phil ran on an early prototype, loved it, Nike Air was born and it
can’t be done, almost 40 years later is still a worldwide recognized name.
