Attn: Village California, Village,

If you are a junior lien, you should understand that if you fail to pay us the amounts due to us, we may sell the property and you will have no interest in the proceeds from the sale. You should consult either of the registered brokers, the listing agent, or a title insurance company to determine whether your sale date is correct.

The law requires that in the event of a sale, the highest bidder shall be the purchaser. You will be bid on a lien, not on the property itself. Before the sale, you may be required to file a notice of sale to be recorded in the county where the real property is located and may be a junior lien. If you are the highest bidder at the auction, you are or may be responsible for paying off all liens senior to the lien you are bidding upon. After the sale, you can record title in the property.

You are encouraged to investigate the existence, priority, and size of outstanding liens that may exist on the property by contacting the county recorder's office or a title insurance company, either of which may charge you a fee for this information. If you consult either of these resources, you should be aware that there may be a lien on the property that holds more than one mortgage or deed of trust to the trustor. You are not notified of the notice of sale may be postponed one or more times by the mortgagee, trustor, trustee, or court, pursuant to Section 2924g of the California Civil Code. The law requires that if any mortgagee, trustor, or trustee sale postponements are made available to you and to the court, as a creditor, for those not present at the sale. If you wish to learn whether your sale has been postponed, if applicable, the rescheduled time and date for the sale of this property, you may contact the Trustee at (855)896-9342, or visit our online Internet Web site www.supercalofd.com using the file number assigned to this case 2019-1086. Information about postponements that are very short in duration or that occur close in time to the scheduled sale may not be immediately reflected in the telephone information or the Internet Web site. The best way to verify postponement information is to attend the scheduled sale. The property is being sold subject to a TRUSTEE'S SALE NOT TAIENCED IN CIVIL CODE
