FITNESS

As residents of Southern California, we are all experiencing a time of significant anxiety and stress and trying to maintain a sense of normalcy and well-being. I stand by the integrity of selling best of value fitness equipment for the last twenty years. I also recognize the current need and urgency for social distancing, balanced with our customers' intent to stay healthy.

I am offering a "White Glove" service, a customized approach to your personal fitness goals and a "White Glove" sanitized equipment delivery service & set-up. I am offering a unique "pay as you go" service for new customers. Existing customers will also have the opportunity to upgrade their existing equipment at a minimal cost. My top priority is to create peace of mind by providing the community with healthy, safe, clean & residue-free fitness options to help in these difficult times.
